

CAST PROFILE INFORMATION

For each Shrewsbury Community Theater production, profiles for every cast member are displayed in the lobby of the theater. During the course of rehearsals, staff members will take a picture of each cast member to go on the profile. It is the responsibility of cast members to write their own profile and turn it in to the appropriate person. If you so desire, on the other side of this page is an information sheet that can be used and your profile will be written using the information you turned in on that sheet. Profiles must be turned in no later than Friday October 2nd. If profiles are not turned in, they will not be on display during the performances. Here are some criteria for writing a cast profile:

1. Name, age, school and grade
2. Previous shows, including company- please limit to 3 shows, may be either last 3, or 3 most important
3. Any training- dance, voice, music
4. Hobbies and interests- please limit to 3 or 4.

Profiles should be no more than 7 sentences (within reason). If needed, profiles that are too long may be shortened. We like to have these profiles to look as professional as possible, and there are some things that don't belong on the profiles:

1. Profanity or inappropriate language
2. Acknowledgements and thanks
"Susie would like to thank her 1st grade teacher for casting her in her first play."
"Danny would like to say hi to his grandpa in the audience."

Please send profiles to: Lauren Kopp, Shrewsbury Parks and Recreation
