INDEPENDENT AUDIT SERVICES

PURPOSE

The purpose and intent of this Request for Proposal (RFP) is to enter into a contract with a qualified independent certified public accountant (hereafter referred to as the Auditor) to perform a financial audit of the City of Shrewsbury, Missouri, for the fiscal years ended December 31, 2020 through 2022.

Renewals: Three (3) one-year renewals, thereafter, if mutually agreed.

METHOD OF AWARD / SELECTION

The proposals will be evaluated by the Finance Department. The successful proposer may be selected from the proposals submitted or proposers may be ranked and interviewed prior to award. Staff will select a firm based upon review of material submitted, references checked, and indicated cost. Award of the contract will be made by our Board of Aldermen.

The City of Shrewsbury reserves the right to request additional information or clarifications from proposers, or to allow corrections of errors or omissions. The City of Shrewsbury also reserves the right to accept or reject all or any part of the bid, to waive technicalities, and to accept the offer considered to be the most advantageous to the City.

SCOPE OF WORK TO BE PERFORMED

The Auditor shall audit all funds in accordance with auditing standards generally accepted in the United States of America; standards for financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States; the provisions of the U.S. Office of Management and Budget (OMB) Circular A-133, Audits of State and Local Governments; applicable pronouncements of the Governmental Accounting Standards Board (GASB) and pronouncements of the Financial Accounting Standards Board (FASB). The examination shall also be made in compliance with the laws of the State of Missouri.

The City will send its CAFR to the Government Finance Officers Association of the United States and Canada (GFOA) for review in their Certificate of Achievement for Excellence in Financial Reporting program. It is anticipated that the auditor will be required to provide special assistance to the City to meet the requirements of that program.

The City desires to maintain a working relationship with the firm selected during the entire term of their services. This would entail consultation on changes needed to be in compliance with the new GASB pronouncements, as well as occasional telephone consultation, for which the City would not anticipate any charge in addition to the established annual fee.

REPORTS TO BE ISSUED

Following the completion of the audit of each fiscal year's Financial Statements, the auditor shall issue:

- Report on the fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America.
- Report on compliance and on Internal Control over Financial Reporting based on an audit of Basic Financial Statements performed in accordance with Government Auditing Standards.
- Report on compliance and other matters with requirements applicable to each major Federal program and internal control over compliance required by the Uniform Guidance and on the Schedule of Expenditures of Federal Awards.
